Overview

Smaller, faster, and even more compact, Avison's IDA6 Scanner is the ideal device for any passport, ID card, driver license, or photo scanning application. Based on the innovative CIS (Contact Image Sensor) technology, the IDA6 is only 2.2" in height and weighs a mere 0.8 kg.

High Optical resolution

Despite its small footprint, the IDA6 is big on resolution. With a true optical resolution of 600 dpi and color depth of 48-bits, the IDA6 is able to reproduce image in fine detail and subtle shade.

Scan to Clouds Directly via Button Manager V2

The IDA6 scanner comes with TWAIN drivers, and is bundled with a suite of powerful software applications including Avison Button Manager, and AVScanX. The AVScan X is a highly effective image processing and document management software that helps you streamline your task more efficiently.

Avison's Button Manager V2

-Completes your scan with a single step

The Button Manager V2 main screen

Button Manager V2 makes it easy for you to scan and send your image to your favorite destinations with a press one button. Now the new version comes with an innovative feature to let you scan and automatically upload the scanned document to popular cloud repositories such as Google Docs, Microsoft SharePoint, or FTP. In addition, the iScan feature allows you to insert the scanned image or recognized text after optional OCR (Optical Character Recognition) process to your text editor such as Microsoft Word to get your job done easily and quickly.

and more function...

AVScan X

-The Intelligent Document Management Tool

The AVScan X main screen

Document Imaging is the very first step of Document Management. However, poor quality images can cause serious problems to later indexing or storing processes. It may increase scanning labor costs and lowers the OCR accuracy. AVScan X ensures all documents are checked and polished at the time they are scanned such that the image quality is guaranteed before they are ready to use for other purposes.

AVScan X is an intelligent scanning and electronic filing solution. AVScan X possesses distinct features that convert and index scanned information into electronic documents for easy storage and fast retrieval.
