A vision of your office

Avision’s book edge scanners feature a unique, innovative flatbed platform, with a slanted front edge engineered to accommodate books in a way that prevents the dark, shadowy area near the spine from appearing. Curved text often seen near the center is also eliminated, since this special design allows pages to spread flat on the scanner. Never again would you need to press the book against the scanner, which distorts the scanned image and potentially damages the book.

The FB6280E supports documents up to A3 sizes. Its core image processing components are CCD based with a 600 dpi optical resolution, enabling it to output picture perfect quality while meeting the most stringent demands of business professionals anywhere.

Features:
- The slightly slanted font platform makes book scanning a breeze
- Support A3-sized document
- Brightness and contrast controls to customize color output for specific applications
- Hi-speed USB 2.0 interface
- Includes TWAIN and ISIS Driver
- One button functionality allows you to assign up to 9 scanning applications and perform at the touch of a button

What we have bundled
The Avision FB6280E scanner comes with TWAIN and ISIS drivers, and is bundled with Avision Button Manager V2, AvScan 5.0, and Nuance PaperPort SE 14.

Avision Button Manager V2
- Completes your scan with a single step

Button Manager V2 makes it easy for you to scan and send your image to your favorite destinations with a press of one button. Now the new version comes with an innovative feature to let you scan and automatically upload the scanned document to popular cloud repositories such as Google Docs, Microsoft SharePoint, or FTP. In addition, the iScan feature allows you to insert the scanned image or recognized text after optional OCR (Optical Character Recognition) process to your text editor such as Microsoft Word to get your job done easily and quickly.

* Automatic Document Feeder: Optional

System Requirements
- CPU: Intel® Core 2 Duo or higher
- Memory: 1GB (32-bit Windows) 2GB (64-bit Windows)
- DVD-ROM: DVD ROM Drive
- USB: USB2.0 Port (USB 1.1 supported)
- Windows® Operating System: Windows® XP SP3, Vista, 7, 8.x (32 & 64 bit)

Contents
- FB6280E Scanner
- Quick Guide
- Power Supply
- USB 2.0 Cable
- CD-ROM includes:
  - Scanner Driver (TWAIN/ISIS Driver)
  - Avision Button Manager V2
  - Avision AvScan 5.0
  - PaperPort SE 14

Document Imaging is the very first step of Document Management. However, poor quality images can cause serious problems to later indexing or storing processes. It may increase scanning labour costs and lowers the OCR accuracy. AvScan 5.0 ensures all documents are checked and polished at the time they are scanned such that the image quality is guaranteed before they are ready to use for other purposes.

AvScan 5.0 is an intelligent scanning and electronic filing solution. AvScan 5.0 possesses distinct features that convert and index scanned information into electronic documents for easy storage and fast retrieval.

PaperPort SE 14 is Nuance’s most popular scanning and document management solution, carefully designed specifically for home office use. Part traditional file cabinet, part digital-document desktop, PaperPort SE 14 is the fastest and easiest way to scan, share, search, and organize your documents. Additionally, PaperPort SE 14 now delivers anytime-anywhere access to your most important files however it’s convenient for you – using a PC, Mac, iPhone, iPad, or Android device.
