

Make Your Life Colorful with Avison Color Printer

Color Printer

If you wish to buy a color printer to promote your business, no matter what line of business, Avison's exceptional color print quality will ensure your proposals and marketing collateral are represented in the best possible light.

Fast and High-Quality Printing

Avison's color printer provides high-speed and high-quality printing, with a print speed of 30ppm per minute.

Auto Two-Sided Printing

Avison's color printer includes features such as auto two-sided printing to let you save up to 50% on paper supply and running cost! Plus, it is more earth-friendly!

Share Resources and Improve Efficiency

Built-in with an ethernet port, Avison's color printer can share printing resources, and improve efficiency and productivity. With standard 250-sheet paper tray and 100-sheet manual tray, and an auto double-sided printing capability, Avison's color printer provides the best printing solution for SOHO, and small to medium-size businesses.
