

Simplify Your Life

Print First Page in 5.9 Seconds

Get your work done in less time with this ultra-fast and efficient printer that can deliver a first page in as little as 5.9 seconds.

Built-in Duplex Print Unit

Use the automatic duplex printing feature to help save paper and reduce costs.

Fast, High-Quality Printing

Produce professional black and white output at impressive print speeds of up to 40 pages per minute.

Clear, & Easy-to-use LCD Screen

Easy to read and navigate, 1.7-inch, bright color LCD screen guides you through even the most complex operations. Simply make a few presses on the control panel, your document can be digitized and distribute within seconds.

Remote Device Management via the Embedded Web Page

The product provides a convenient way to view the supplies status, scan count, and copy count to help you maintain the product well. By simply typing the machine's IP address in the URL field of your browser, the product's embedded web page will be prompted.
