A Powerful Scan Station

The AI300 series are 60 page-per-minute (AI360), duplex, and network scanner that is fast, reliable, and affordable for business where scanning plastic ID cards, business cards, documents or other heavy card stock is necessary. Embedded with Avison-developed image processor, the scanned image can be automatically cropped, straightened, and optimized with enhanced speed. With simply one button, the AI300 series improve your business efficiency by scanning and sending the document to various destinations including e-mail, cloud servers, a shared folder (SMB), a FTP server, and a USB flash drive.

A Duplex Scanner Suited for Document and Cards

Thanks to the advanced straight paper path and image processing technology, mixed batches of documents with varies sizes and weights can be scanned, appropriately cropped, deskewed, and ready to use. Scan size accepts paper from receipts (50 x 50 mm / 2 x 2 in.) to business document (242 x 356 mm / 9.5 x 14 in.). The auto document feeder is also robust enough to feed paper up to 413 g/m² (110 lb.) and embossed hard cards such as ID cards, credit cards, driver's license, and health insurance card up to 1.25mm in thickness.

Reverse Roller Enhances Feeding Reliability

Designed with the innovative reverse roller for advanced paper separation capability, the AI300 series deliver outstanding feeding reliability and operating productivity by effectively reducing the risk of a multi-feed or paper jam.

Easy-to-operate 8" LCD Touch Screen

The large 8" LCD touch screen makes it easy for everyone to scan and share. By assigning your frequently used settings and scan to destinations as Shortcuts, the AI300 series allow you to streamline your workflow and complete your scanning task in one step. Configuration and management of the scanner can also be performed via the LCD touch screen.

Powerful Bundled Software Applications

The AI300 series come with TWAIN driver, and are bundled with a suite of powerful software applications that include Avison Button Manager V2.
